"To advocate and promote meaningful participation in all aspects of life for Floridians with developmental disabilities"

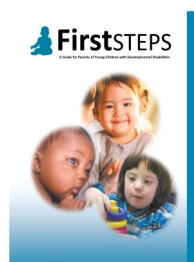

Disability Awareness Through Language Arts and Literacy Resources for Prekindergarten and Elementary School (Updated)

This guide is a resource intended to support educators and families to promote positive attitudes toward, and facilitate successful inclusion of, students with disabilities; increase respect and acceptance of individual differences; increase understanding of disabilities and related social issues; and facilitate the development of literacy and language arts skills through activities about disability awareness. To download the English version of *Disability Awareness Through Language Arts and Literacy: Resources for Prekindergarten and Elementary School* [click here](#).

First Steps: A Guide for Parents of Children with Developmental Disabilities

One of the Developmental Disabilities Council's most popular publications, the revised edition of this guide for parents of children with developmental disabilities covers such topics as acceptance, services, and the rights of people with disabilities. The publication is available both in Spanish and English, as well as in color and black and white (for ease of printing). Both versions of the publication are broken into chapters and the publications are only available in Acrobat Reader (PDF) format. [Click here](#) to download your copies.
