

# Make a Friend...

Get to know your neighbor(s)!

---

Divide up into groups of two or three and use these questions to get to know each other. After 5-10 minutes, you will use what you've learned to introduce your new friend(s) to the rest of the group.

1. What is your name?
2. Where do you live?
3. What is your favorite hobby?
4. What do you like to eat for breakfast on Sunday mornings?
5. What is the one thing you're hoping to learn today?
