Stat., and made or received by the Provider in conjunction with this contract. It is expressly understood that substantial evidence of the Provider's refusal to comply with this provision shall constitute a breach of contract.

C. Federal Laws and Regulations.

1. Because this contract contains federal funds, the Provider shall comply with the provisions of each federal regulation included within the list provided as Attachment III to this agreement, to the extent applicable.
2. Because this contract contains federal funds, the Provider shall comply with the provisions of Office of Management and Budget (OMB) Circular No. A-21, as revised, "Cost Principles for Educational Institutions;" OMB Circular No. A-87, as revised, "Cost Principles for State, Local and Indian Tribal Governments;" or OMB Circular No. A-122, as revised, "Cost Principles for Non-Profit Organizations;" as applicable.

The Provider shall report any violations of the above to the Council's contract manager.

incorporated and made a part of this contract as if fully set forth herein.

D. Audits and Records.

1. To maintain books, records and documents (including electronic storage media) in accordance with generally accepted accounting procedures and practices which sufficiently and properly reflect all revenues and expenditures of funds provided by the Council under this contract.
2. To assure that these records shall be subject at all reasonable times to inspection, review, or audit by personnel duly authorized by the Council, as well as by state and federal personnel.

4. Where applicable, to include these aforementioned audit and record-keeping requirements in all approved subcontracts and assignments.
5. To maintain and file with the Council's contract manager such progress, fiscal and inventory reports as specified in Attachment I, and other reports as the Council may require within the period of this contract. Such reporting requirements must be reasonable given the scope and purpose of this contract.

E. Records and Documentation.

1. The provider shall protect the confidential records from disclosure and protect participants' confidentiality in accordance with state and federal laws.
2. Not to use or disclose any information concerning a recipient of services under this contract for any purpose not in conformity with state regulations and federal law or regulations (45 CFR s. 205.50), except upon written consent of the recipient, or the responsible parent or guardian when authorized by law.
3. The provider is responsible for maintaining documentation of all tasks and deliverables under this contract. Records and documentation of events sponsored under this contract include, but are not limited to, the agendas, meeting minutes, conference calls, Best Practices Manual, brochures, handouts, sign-in sheets, evaluations, survey reports, and documentation of printed materials.
4. To retain all records of individuals receiving services, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this contract for a period of five (5) years after termination of the contract, or if any audit has been initiated and audit findings have not been resolved at the end of five (5) years, the records shall be retained until resolution of the audit findings. The Provider will cooperate with the Council to facilitate the duplication and transfer of any said records or documents during the required retention period.

F. Monitoring.

1. Persons duly authorized by the Council and state and federal auditors, pursuant to 45 CFR, s. 92.36(i)(10), shall have full access to and the right to examine any of said records and documents at all reasonable times during the period of this contract, during said retention period, or as long as records are retained, whichever is later. Those persons authorized to do so shall be entitled to inspect any records, papers, documents, facilities, or goods and services of the Provider relevant to this contract, and may interview any recipients of services and employees of the provider to be assured of satisfactory performance of the terms and conditions of this contract. Following such inspection the Council will deliver to the Provider a list of its comments, including specifically any noted deficiencies with regard to the manner in which said goods or services are being provided. The Provider will rectify all noted deficiencies provided by the Council within the specified period of time set forth in the comments or provide the Council with a reasonable and acceptable justification for not correcting the noted shortcomings. The Provider's failure to correct or justify within a reasonable time as specified by the Council may result in any one or a combination of the following: the withholding of payments; being deemed in breach or default of this contract; and termination of this contract for cause.

G. Indemnification.

1. Provider agrees that it will indemnify, defend, and hold harmless the Council and all Council's officers, agents and employees from any claim, loss, damage, cost, charge, or expense arising out of any act, action, neglect or omission by Provider, its agents, employees, or subcontractors during the performance of the contract, whether direct or indirect, and whether to any person or property to which Council or said parties may be subject, except that neither Provider nor any of its subcontractors will be liable under this section for damages arising out of injury or damage to persons or property directly caused or resulting from the sole negligence of the Council, its officers, agents, or employees.
2. Provider's obligation to indemnify, defend, and pay for defense or at the Council's option, to participate and associate with the Council in the defense and trial of any claim and any related settlement negotiations, shall be triggered by the Council's notice of claim for indemnification to Provider. Provider's inability to evaluate liability or its evaluation of liability shall not excuse Provider's duty to defend and indemnify within seven (7) days after receipt of such notice by the Council, given by certified mail, return receipt requested. Only an adjudication or judgment after the highest appeal is exhausted specifically finding the Council solely negligent shall excuse performance of this provision by Provider. Provider shall pay all costs and fees, including attorney's fees, related to this obligation and its enforcement by the Council, and the venue for any such enforcement action or other proceeding, if separately filed, shall be Leon County, Florida.
3. If the Provider is a state agency or subdivision as defined by s. 768.28, Fla. Stat., this entire indemnification clause shall be deemed inapplicable and without force or effect, pursuant to the mandate of s. 768.28(19), Fla. Stat.

H. Insurance.

1. To provide adequate property and personal liability insurance coverage on a comprehensive basis, to name the Council as a co-insured, and to hold such liability insurance at all times during the existence of

this contract and any renewal(s) or extensions(s), such that coverage will be provided for incidents occurring during the term of this agreement even if asserted after its termination. The Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the Provider, the individuals receiving services under this contract, and the Council. At the time of the execution of this contract and the Insurance Certification Form, DDC Form 00-01 (Exhibit C), the Provider shall furnish the Council's contract manager written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The Council reserves the right to require additional insurance as specified in Attachment II, where appropriate.

2. If the Provider is a state agency or subdivision as defined by s. 768.28, Fla. The Council will approve and be provided with a copy of the professional credentials, certifications and resumes of the provider's project managers, trainers, and conference presenters.

3. Staffing Changes

The provider shall notify the Council's program manager, in writing, of any staffing changes. Prior to replacing the director of the contracted project, the provider must notify in writing and obtain approval from the Council for the replacement. If the Council is not satisfied that this replacement can carry out the requirements of the contract, the contract will be terminated.

4. Hiring Individuals with Disabilities

The provider is encouraged by the Council to hire qualified individuals with disabilities to work on projects funded by this Council.

J. Subcontracts and Assignments.

1. The provider will neither assign the responsibility of this contract to another party nor subcontract for any of the work contemplated under this contract without prior written approval of the Council.

2. The provider will be responsible for all work performed and all expenses incurred with the project. If the Council permits the Provider to subcontract all or part of the work contemplated under this contract, including entering into subcontracts with vendors for services and commodities, it is understood by the Provider that all such subcontract arrangements shall be evidenced by written document subject to prior review and comment by the Council. Such review of the written subcontract document by the Council will be limited to a determination of whether or not subcontracting is permissible, whether the offered subcontractor is acceptable to the Council, and the inclusion of applicable terms and conditions of this contract. The Provider further agrees that the Council shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and the Provider shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. The Provider, at its expense, will defend the Council against such claims.

3. The Council shall at all times be entitled to assign or transfer its rights duties, or obligations under this contract to another entity, upon giving prior written notice to the Provider. In the event the Council approves transfer of the Provider's obligations, the Provider remains responsible for all work performed and all expenses incurred in connection with the contract. In addition, this contract shall bind the successors, assigns, and legal representatives of the Provider and of any entity that succeeds to the obligations of the Council.

4. Unless otherwise stated in the contract between the Provider and subcontractor, payments made by the Provider to the subcontractor must be within ten (10) working days after receipt of full or partial payment from the Council. Failure to pay within ten (10) working days will result in a penalty charged against the Provider and paid to the subcontractor in the amount of one-half (1/2) percent of the amount due, per day, from the expiration of the period allowed for payment until such time as payment is made. Such penalty shall be in addition to actual payments owed and, notwithstanding the foregoing, shall not exceed fifteen (15) percent of the outstanding balance due.

K. Return of Funds.

1. To return to the Council any overpayments due to unearned funds or funds disallowed pursuant to the terms of this contract that were disbursed to the Provider by the Council. In the event the Provider or its independent auditor discovers that an overpayment has been made, the Provider shall repay said overpayment within 40 calendar days from the discovery, without prior notification from the Council. In the event the Council first discovers that an overpayment has been made, the Council will notify the Provider by certified letter, return receipt requested, of such a finding. Should repayment not be made in a timely manner after the Provider's discovery or receipt of the Council's notice, the Council will charge, in addition to the amount of overpayment, interest of one (1) percent per month, calculated on a daily basis on the balance outstanding upon expiration of the 40-day period until such time as the repayment is made.

L. Abuse, Neglect and Exploitation Reporting.

1. In compliance with Ch. 415, Fla. Stat., the Provider or any employee of the Provider who knows, or has reasonable cause to suspect, that an elderly person or a disabled adult has been or is being abused,

The Provider shall maintain, on-site, reports documenting its compliance with this provision, with such reports subject to the retention and monitoring sections of this contract, as set forth above.

N. Civil Rights Requirements.

1. To comply with all federal, state, and local laws, rules, regulations, and ordinances applicable to the work or payment for work thereof, including the Americans With Disabilities Act, and shall not discriminate on the grounds of race, color, religion, sex, age, disability, national origin, marital status, political affiliation or beliefs, in the performance of this contract.

2. The Provider agrees that compliance with this assurance constitutes a condition of continued receipt of or benefit from funds provided through this contract, and that it is binding upon the Provider, its successors, transferees, and assignees for the period during which services are provided. The Provider further assures that all contractors, subcontractors, subgrantees, or others with whom it arranges to provide services or benefits to participants or employees in connection with any of its programs and activities are not discriminating against those participants or employees in violation of the above-referenced statutes, ordinances, rules, regulations, guidelines, and standards.

O. Independent Capacity of the Provider.

1. To be solely responsible and liable for the performance of all tasks contemplated by this contract which are not the exclusive responsibility of the Council.

2. To act in the capacity of an independent contractor and not as an officer, agents, employee, agent, servant, joint venturer or partner of the Council. Neither the Provider nor its officers, agents, employees, subcontractors or assignees shall represent to others that it has the authority to bind the Council unless specifically authorized in writing to do so.

3. To take such actions as are necessary to ensure that each subcontractor of the Provider will be deemed to be an independent contractor and not an officer, employee, agent, servant, joint venturer or partner of the Council.

4. To be responsible for payment of all Social Security, Income Tax, and other withholdings or benefits, as applicable.

P. Sponsorship.
