Question for Lawmakers and Candidates

This question will be mailed and e-mailed to gubernatorial candidates before and after the August 2010 primaries.

Each candidate who responds will have his or her name and answer to the question posted on our Web site, www.FDDC.org."

1. What do you see as the most important issues facing Floridians with developmental disabilities and their families?

www.DraftImperato.com

###

The most important issue is Florida Being able to increase support for Rehabilitation and Educational Support as well as special Sports and programs so that these unfortunate people feel welcome + part of society as well as having a chance to better themselves.

As well as facilities and concepts for events for them. Most important is Blessings of help + support with state help with ~~state~~ ^{contracts}
