Executive Summary Report

State Plan Committee

May 4, 2017

Orlando, FL, Florida Hotel and Conference Center

This Executive Summary report provides a brief overview of the decisions and action items that occurred during the May 4, 2017 meeting of the State Plan Committee. The complete meeting minutes will be provided to the State Plan Committee for review and approval at the next meeting, scheduled for September 14, 2017 in Orlando, Florida.

Presentations/Emerging Issues:

A brief report was provided on the 2017 State Plan. No State Plan Amendments were identified by Goal Subcommittees, so it is not anticipated that the Council will need to submit any amendments in August 2017. State Plan Updates to be submitted to AIDD with the PPR in December 2017, include extending the Broad Systems Change Goal and Objectives to allow for completion of four initiatives in 2018. The only additional State Plan Update related to adding a subtitle to the Workforce Goal to read: Workforce (Direct Service Providers' Compensation and Training) Goal for clarity.

Action Items/Decisions:

Minutes

The State Plan Committee approved the minutes from the January 12, 2017 meeting.

Implementing Activities Funding Proposals (IAFPs)

The State Plan Committee approved three (3) IAFPs for a total of \$291,000.

A. Employment Goal Subcommittee

- 1) Employ Me 1st - \$125,000

B. Self-Advocacy Leadership

- 2) Partners in Policymaking - \$31,000

C. Elementary through Postsecondary Transition Goal Subcommittee

3) Career and Technical Center Model – VERTICAL Training Program - \$135,000

The stipulation by the Elementary through Postsecondary Goal Subcommittee to allocate \$28,000 of the \$135,000 to student scholarships was removed. The full \$135,000 will be allocated as originally proposed to the Elementary through Postsecondary Transition Goal Subcommittee.
